

VEDI and LCETPA Reached School-Enterprise Cooperation with CVCPT and Established Talent Training Base in Chongqing, China

In order to further enhance the integration of industry and education, Vocational Education Development Institute, Ministry of Education and Sports, Lao PDR(VEDI) and Lan-Mekong China Education Training Promotion Alliance (LCETPA) signed a school-enterprise cooperation framework agreement with Chongqing Vocational College of Public Transportation(CVCPT), and established talent training base in Chongqing, China.

At the meeting, Zhang Dongxu, Secretary of the Board of Directors, Director of the Office of Chongqing City Transportation Development & Investment Group Company Limited and Chairman of the Board of Directors of the school, quoted the old saying "Friends come from afar, it's a pleasure to come here" to welcome the guests, and he said in his speech that under the background of the national vigorous development of

vocational education, the school will combine its own state-owned enterprises to run the school characteristics, and give full play to its advantages in the field of rail transportation. In his speech, he said that against the background of the national vigorous development of vocational education, the school will combine its own state-owned enterprise schooling characteristics, give full play to its advantages in the field of rail transportation, and at the same time combine the needs of enterprises, in line with the principle of "service demand, resource sharing, integration of production and education, mutual benefit and win-win", establish long-term and close strategic cooperation with enterprises, establish a long-term mechanism of cooperation, broaden the field of cooperation, innovate the form of cooperation, strengthen the implementation of projects, and promote the common development of both sides.

Peng Chao, Secretary of the Party Committee of Chongqing Vocational College of Public Transportation, introduced the school's international cooperation from the four main initiatives of Chinese standard traction, mutual recognition of Chinese and foreign curricula, Chinese and foreign cultural exchanges, Chinese and foreign school-enterprise education and the results and achievements achieved in the past. It is hoped that by drawing on the school's past experience in international cooperation, it will provide a reference for cooperation between the school and vocational institutions in Laos, and promote better and faster development of vocational education in both countries through joint efforts of both sides.

In his speech, Dr. Bounseng KHAMMOUNTY, Director General, Vocational Education Development Institute, Ministry of Education and Sports, Lao PDR, introduced the basic situation of the Institute, affirmed the school's achievements in urban rail vehicle application technology and railway signal automatic control, and hoped that the school would seize the opportunity of the opening and operation of the Sino-Lao railway to actively do a good job in the field of rail transportation and operation and logistics construction as a model project for teacher training.

In his speech, Allan Yang, Representative of the Lao National Chamber of Commerce and Industry Chongqing Branch, introduced the active role played by the Lao National Chamber of Commerce and Industry in the cooperation between Chinese education and Lao education, and offered advice and suggestions for local Lao universities to carry out in-depth cooperation models with Chinese vocational colleges and universities, hoping that the schools and enterprises will give full play to their own advantages and follow the trend to create further success.

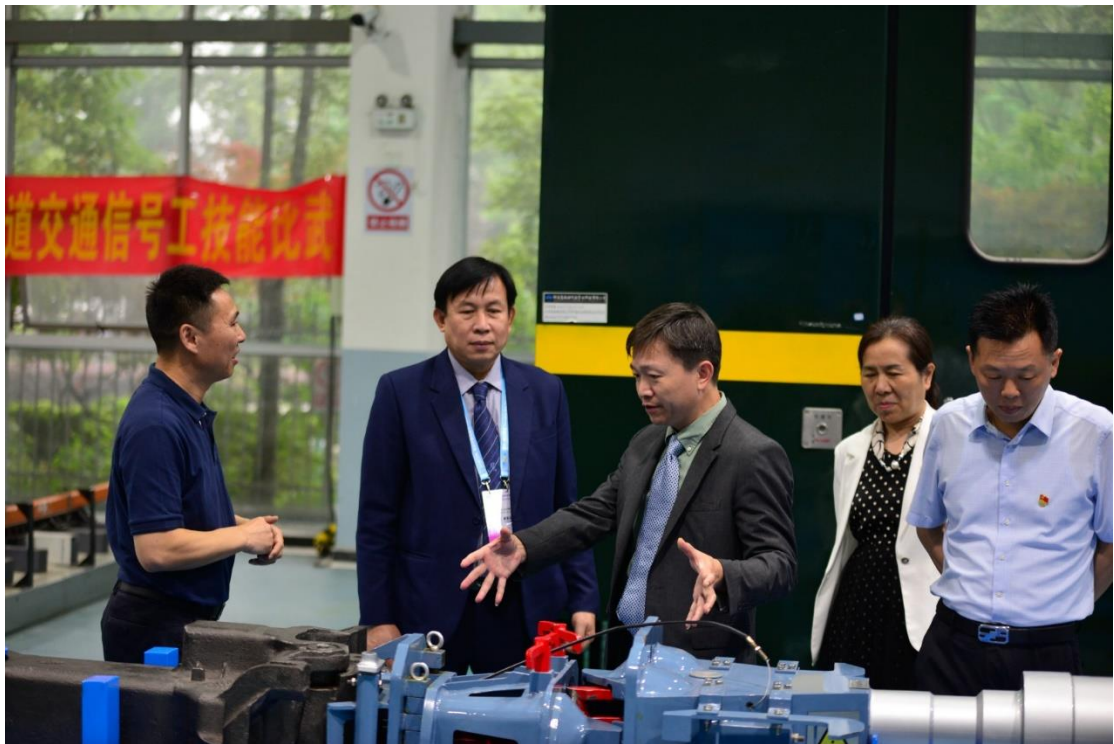

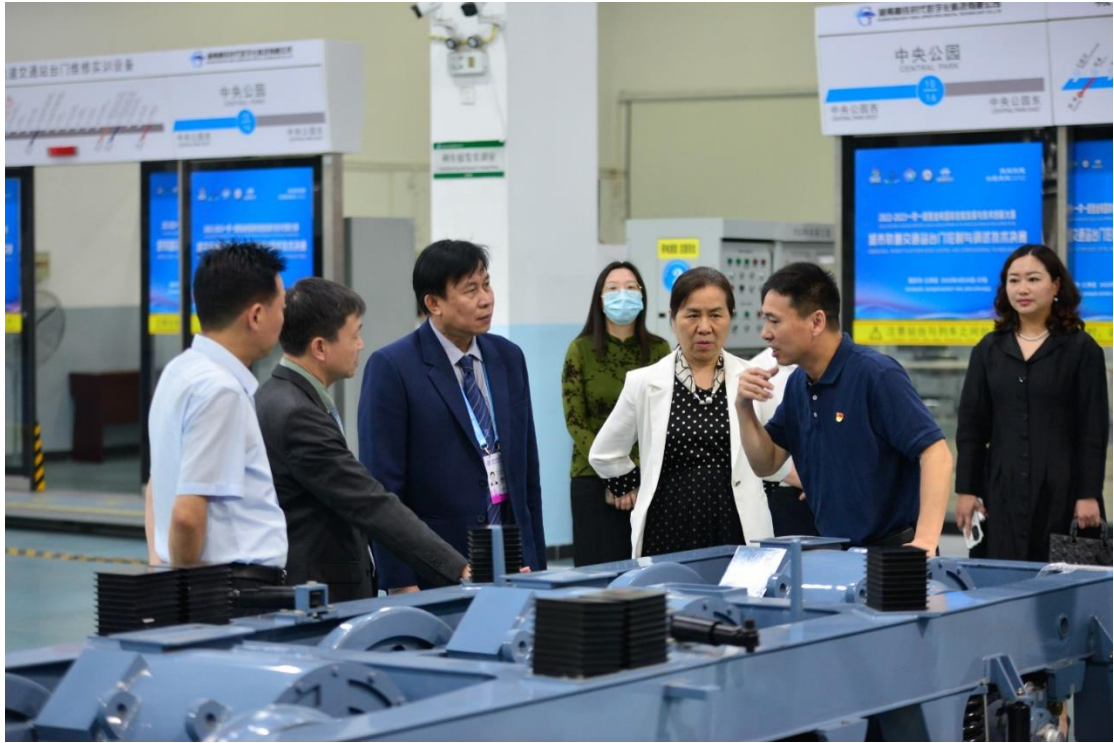

At the meeting, Liu Chang, Vice President of the school, and Allan Yang, Representative of the Chongqing Branch of the Lao National Chamber of Commerce and Industry, signed a framework agreement on school-enterprise cooperation.

Bounseng KHAMMOUNTY, Zhang Dongxu and Fei Cui jointly inaugurated the "China-Laos Joint Training Base for Rail Transportation Talents".

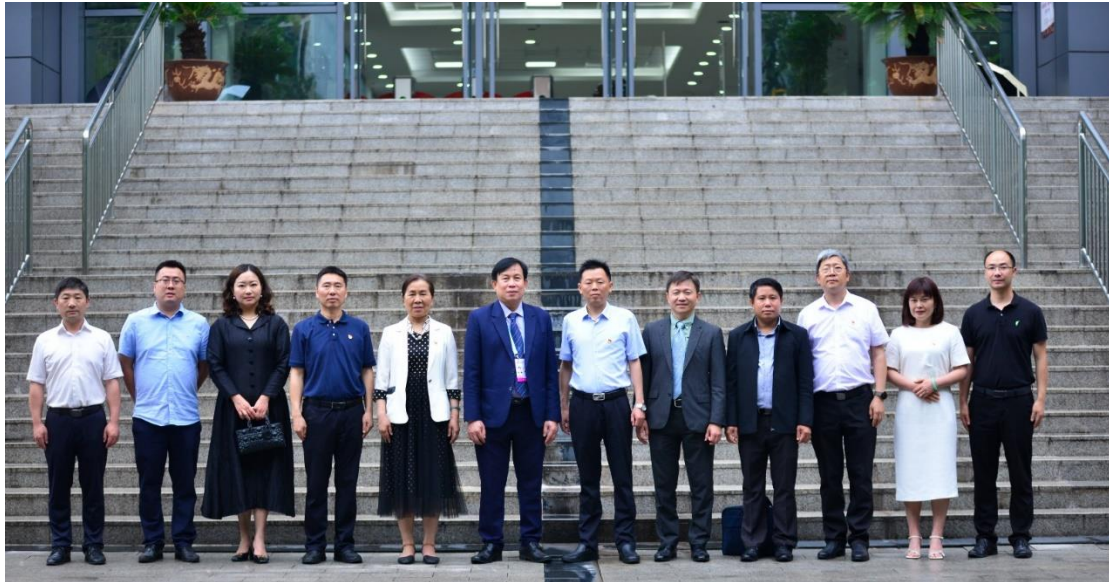

At the end of the meeting, Chongqing Vocational College of Public Transportation and the Vocational Education Development Institute, Ministry of Education and Sports, Lao PDR, exchanged souvenirs and took a group photo.

Before the signing ceremony, Bounseng KHAMMOUNTY and his delegation, accompanied by Zhang Dongxu and others, visited the National

Shared Practical Training Base for Urban Rail and High Speed Rail Technology.

Aod Thammavong, Deputy Director of the Administrative and Personnel Department of the Vocational Education Development Institute, Ministry of Education and Sports, Lao PDR, Rex Yang, Head of Commerce Department and Liu Pengcheng, Head of the Science and Technology Department of the LANG-Mekong China Education Training Promotion Alliance, and Zhong Xiaofen and Tang Chunlin, Vice Principals of the school, attended the signing ceremony.
